Section 4 -- Motorized Equipment (Kraftfahrwesen).
Chief: A former German officer, recently released
from a Soviet PW Camp.

Section 5 -- Signals. This section formerly belonged to the
Uniformed Constabulary Branch (Hauptabteilung S).
Signals is in charge of technical organization and
procurement of signal supplies.

Personalities:

Dr. Diefenbach of the Administrative Police has been succeeded by Dr. Schöppe as the official in charge of the issuance of passes and of registration procedures. Schöppe, who claims to hold a doctorate both in medicine and philology, has graduated from an "anti-fascist" indoctrination school in Soviet Russia. He has been described as a man with an exaggerated notion of his own importance.

Glaser is the new deputy chief of Quartermaster Services under Arthur Brandt. He comes from Saxony and is said to be a "wild Communist".

Oberpolizeirat Willi Gauck, until recently chief of the Fahrbereitschaft (patrol car task force), has been relieved of his duties; he was reduced to Oberkommissar and transferred to Schools and Training.
